GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Acc. No.....

Resolution No. P. 52.

Bombay Castle, 23rd June 1938.

Read reports from the Commissioners, Northern, Central and Southern Divisions, on the administration of the local boards in their respective charges during the year 1936-37.

RESOLUTION.—*Number of local boards.*—The number of district local boards remained unchanged, but owing to the abolition, with effect from 1st October 1935, of all taluka local boards in the Sholapur, Belgaum and Surat districts the number of taluka local boards decreased from 159 to 137.

2. *Area and population.*—The area and population of the local boards during the year under report remained the same.

3. *Constitution.*—The constitution of the local boards remained unchanged except in the case of the Kolaba District where an additional elective seat was given to the Alibag Taluka Constituency.

4. *Elections.*—No general elections were held during the year.

5. *Meetings—Northern Division.*—The total number of meetings held by the district and taluka local boards was 51 and 208 respectively as against 68 and 248 held during the previous year. The average percentage of attendance of the members at the meetings of district and taluka local boards was 82·24 and 71·23, respectively, as against 83·85 and 74·02 in the previous year. The number of meetings adjourned for want of a quorum and for other reasons was 10 in the case of district local boards and 13 in the case of taluka local boards as against 16 and 25 respectively during the preceding year, the chief reasons for the adjournments being (i) non-completion of the work on the agenda and (ii) deaths of political leaders.

Central Division.—The total number of meetings held by the district and taluka local boards was 56 and 340 respectively as against 61 and 408 held during the previous year.

The average percentage of attendance of the members at the meetings of the district local boards and taluka local boards was 79 and 71·44 respectively as against 85·56 and 75·78 in the preceding year.

The number of meetings adjourned for want of a quorum and for other reasons was 8 in the case of district local boards and 9 in respect of taluka local boards as against 15 and 21 respectively during the preceding year.

The Karjat and Junnar Taluka Local Boards in the Ahmednagar and Poona districts respectively did not hold the requisite number of meetings prescribed by section 35 (1) of the Bombay Local Boards Act, 1923. The Taluka Boards of Karad, Walwa, Satara, Khanapur and Koregaon in the Satara District committed breaches of section 35 (1) inasmuch as some of their meetings were convened after the lapse of three months.

Southern Division.—The number of meetings held by the district and taluka local boards was 45 and 241 respectively as against 41 and 257 during the previous year. The average percentage of attendance of the members at the meetings of district and taluka local boards was 83·87 and 77·5 as against 74·37 and 67·54 in the previous year. The number of meetings adjourned was 15 in the case of district local boards and 12 in respect of taluka local boards as against 13 and 23 during the previous year. Business was transacted by circulation of agenda under section 41 of the Act once during the year by the District Local Boards of Belgaum and Bijapur and the Taluka Local Boards of Kumta and Sangameshwar, and twice by the Taluka Local Boards of Haliyal, Alibag and Ratnagiri.

6. *Income.*—The aggregate income of local boards (excluding opening balance and debt) increased from Rs. 1,60,83,429 to Rs. 1,63,90,966. The reasons for the increase or decrease in the main sources of revenue are explained below :—

(a) *Local Rates.*—The receipts decreased from Rs. 38,13,525 to Rs. 32,89,781. The decrease occurred in all Divisions and was mainly due to less realisations from the local fund cess owing to the suspension of the collection of the cess owing to the scarcity prevailing in certain districts.

(b) *Education.*—The receipts increased from Rs. 90,34,939 to Rs. 94,78,521. The increase occurred in all Divisions and was mainly due to increased receipts from Government grants for primary education.

(c) *Medical.*—The receipts increased from Rs. 2,22,885 to Rs. 2,31,715. The increase occurred in the Central and Southern Divisions and was mainly due to larger receipts from dispensary fees.

(d) *Civil Works.*—The receipts increased from Rs. 16,40,394 to Rs. 20,45,367. The increase occurred in all Divisions and was mainly due to (i) enhanced Government grants for communications and village water supply and (ii) lump contributions from Government in lieu of toll revenue and (iii) larger receipts from ferries.

7. *Expenditure.*—The aggregate expenditure of the local boards chargeable to current income increased from Rs. 1,56,32,469 to Rs. 1,63,31,040. The reasons for the increase or decrease under the main heads of expenditure are explained below :—

(a) *Administration.*—The expenditure decreased from Rs. 6,10,680 to Rs. 5,98,351. The decrease occurred in the Northern Division and was mainly due to the fact that the last year's figure of expenditure of the District Local Board, Ahmedabad, under this head included expenditure on the administration of the District School Board. The increase in other Divisions was mainly due to (i) the payment of increments to members of the establishments, and (ii) greater expenditure on account of travelling allowances of members of local boards.

(b) *Education.*—The expenditure increased from Rs. 1,02,94,247 to Rs. 1,07,43,174. The increase occurred in all the Divisions and was mainly due to (i) the restoration of cuts in the pay of primary school teachers, (ii) opening of new schools and (iii) the payment of larger contributions to the school boards.

(c) *Medical.*—The expenditure decreased from Rs. 9,56,146 to Rs. 9,50,996. The decrease occurred in the Central and Southern Divisions, and, being negligible, calls for no remarks.

(d) *Civil Works.*—The expenditure increased from Rs. 31,10,454 to Rs. 33,00,582. The increase occurred in the Northern and Central Divisions and was mainly due to the larger expenditure on the construction of communications, buildings and water supply.

8. *Closing balances.*—The aggregate balances of all the local boards amounted to Rs. 58,61,693, as against Rs. 52,05,865 in the previous year. The closing balances of most of the district local boards were again in excess of the prescribed minima and this was due mainly to (i) the accumulation of balances of the district school boards and taluka local boards and other deposits and advances, (ii) the late recovery of local fund cess and (iii) non-completion of budgetted works.

9. *Primary Education—Northern Division.*—In the Ahmedabad District sixteen buildings were constructed during the year from the Rao Bahadur Girdharlal Uttamram Charitable Endowment Fund and Seth Mangaldas Girdhardas Cheap Building Scheme Fund. In the Kaira District, the number of the English classes increased from 23 to 25. A Girls' School building was started at Thasra by a private donation of about Rs. 10,000. The District School Board, Broach, constructed three new schools. In the Surat District the number of the school buildings under the Sir Parshottamdas Thakordas Scheme reached 90, while 12 more (including 4 extension works) are under construction. The number of libraries under the scheme rose from 150 to 250. The number of night schools increased from 4 to 6.

Central Division.—In the Ahmednagar, Nasik, Satara and Sholapur districts the number of primary schools increased by 2, 25, 8 and 5 respectively, while in East Khandesh and Poona their number decreased by 2 and 8 respectively. The decrease in Poona was partly due to the facts that (1) the 5 local board schools at Dhond have been classed as non-local authority schools of the newly established Municipality and (2) the special depressed class schools have been amalgamated with the common primary schools.

A Refresher Course was held in Poona in February 1937 for the teachers of these classes, and all the boards deputed their teachers to attend it.

The Ahmednagar Board has increased its night schools from 24 to 41, and these are attended by 1,023 persons. The board has also appointed a committee to formulate a scheme for adult education. It has also taken up the problem of school buildings and has constructed 6 new buildings of modern design during the year.

All the boards are taking practical interest in encouraging education among the intermediate and depressed classes by the grant of scholarships and other facilities. Greater attention is also being paid to the physical education of the children by insistence on games, and other exercises and the formation of Boy Scout and Girl Guide companies.

Southern Division.—The total number of primary schools in Dharwar, Kanara, Kolaba and Ratnagiri, rose by 66, 17, 1 and 42 respectively, while in the Belgaum District the number fell by 2, the schools having been closed on account of low attendance. In the Belgaum District the number of schools for the scheduled classes fell by 1 due to its amalgamation with the general school. In order to encourage education among the children of the scheduled classes the board awarded 14 scholarships and gave prizes to the scheduled class pupils. It is reported that only 20 per cent. of the schools are housed in the board's own buildings, while the rest are either held in temples, dharamshalas, chavdis or rented buildings. In Kanara village improvement committees opened 35 adult classes in which tuition was given by primary school teachers out of normal school hours. In the Kolaba District two new English classes were opened. In the Ratnagiri District technical education is imparted at the local board's school of Industry where students are trained in carpentry, smithy, mechanics, drawing and coir works. Out of the three weaving classes at Kankaoli, Wakavli and Ratnagiri maintained by the board those at the last two places were closed for want of funds.

10. *Medical and Public Health—Northern Division.*—One Ayurvedic dispensary was opened at Sarangpur by the District Local Board, Broach. A new dispensary was opened at Bhamaria in Halol Taluka with the aid of a contribution from the Bhamaria Estate. A small dispensary has been opened at Mora in the Godhra Taluka with the aid of a contribution from the Thakor of Metral. Table dispensaries were opened at 24 schools on certain conditions. The anti-malarial dispensaries opened by the District Local Board, Thana, proved very useful to the rural public and especially the agriculturists.

Central Division.—The District Local Board, Satara, increased its Medical Relief Centres from 47 to 75 which are reported to be working fairly satisfactory. The board also held 5 classes of 4 to 10 days duration and trained 215 practising Dais collected from different villages.

Southern Division.—Plague epidemic appeared in a few villages in the Belgaum District in a sporadic form. The board took prompt preventive measures with intensive rat-baiting operations and inoculation in affected areas. Cholera also made its appearance and spread to several villages in Chikodi and Gokak talukas. The board took prompt measures in preventing its spread by appointing special inoculators, besides availing of the services of the anti-epidemic workers under the board. Private medical practitioners were also subsidised to start inoculations in the affected areas. The Dharwar District was visited by plague, cholera and small-pox. Of these three pests cholera affected all parts of the district. Elaborate preventive measures were taken. The sanitary staff visited every affected village, disinfected drinking water sources and houses. Similar measures were taken in affected villages to prevent the spread of plague and small-pox. The epidemic of small-pox appeared in the Kanara District. The incidence of the disease was most severe in the Karwar Taluka. Adequate measures were taken by the

board to meet the situation and prevent the spread of the disease. Cholera epidemic broke out in Mahad and Mangaon talukas of the Kolaba District but it was promptly brought under control by taking immediate preventive steps. Cholera had broken out in Deogad Taluka, Vengurla Petha and in the villages surrounding Rajapur town in the Ratnagiri District but prompt steps were taken to control the epidemic.

11. *Veterinary Dispensaries.*—Rinder pest prevailed in certain parts of the Belgaum District of the Southern Division and more than 27,000 inoculations were performed against the disease. Cases of foot and mouth diseases were also treated and nearly 3,000 Burdizo castrations were carried out at these dispensaries.

12. *Civil Works.*—The following table shows the Government grants paid to the boards and the amounts actually spent by them from these grants and their own funds on local public works :—

Division.	Amount of Government grants allotted during the year under report.	Amount spent from the year's Government grants and unspent Government grants of previous year.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division	2,24,100	2,29,188	4,12,598
Central Division	3,31,358	2,19,070	6,00,737
Southern Division	2,22,900	2,10,417	2,68,737

Northern Division.—On account of scarcity in the Panch Mahals, metal breaking works were opened on the Waghjipur Road. The Panch Mahals District Local Board undertook the work of the construction of the Jhalod-Banswara Road with contributions from the Government of India and the Government of Bombay. The District Local Board, Thana, completed the causeway across the Ulhas River at Badlapur.

Central Division.—Government regret to note that the Poona Board is not making any serious attempt to improve its financial condition so as to enable it to meet the expenditure necessary to repair its roads which are in a very bad condition.

Southern Division.—The Bijapur, Dharwar and Kanara district local boards spent more on communications during the year than in the previous year, while the remaining three boards in the Division spent less.

13. *Village Water Supply.*—The following table shows the Government grants to district local boards for the improvement of village water supply and the amounts spent by them from these grants and their own funds :—

Division.	Amount of Government grants allotted during the year under report.	Amount spent from the year's Government grants and unspent Government grants of previous year.	Amount spent from local fund.
	Rs.	Rs.	Rs.
Northern Division	34,000	21,309	1,54,658
Central Division	29,843	19,065	24,181
Southern Division	39,836	21,652	52,722

Northern Division.—In addition to the ordinary grants paid to district local boards special grants were given to certain boards for specific purposes. A grant of Rs. 3,372 was allotted to the District Local Board, Ahmedabad, for tank excavation in the Bhal tract of the Dhandhuka Taluka. A further grant of Rs. 4,000 was given to this board for water supply during the scarcity period. A sum of Rs. 2,000 was also allotted to the Superintending Engineer, Northern Circle, for repairs to certain bores in the Viramgam Taluka. A special grant of Rs. 3,000 was given to the Kaira District Local Board for relief during the scarcity period of the year under report. A grant of Rs. 1,000 was given to the Panch Mahals District Local Board for constructing wells for the scheduled classes. This board also received a grant of Rs. 26,784 for scarcity works. The District Local Board, Thana, constructed nine new wells.

Central Division.—It has been reported that the execution of some of the water supply schemes in the districts of Ahmednagar, Nasik and Poona have been dragging on for years without being completed. This is a very unsatisfactory state of affairs. The practice of asking for permission to utilize the unspent balances of

the grants of previous years has become a matter of routine with these boards. They should, therefore, be warned that the amounts permitted to be utilised during any year must be spent before the close of that year and that no extensions will be permitted in future.

Southern Circle.—It is gratifying to note that the Belgaum Board was able to complete 8 well-works and to carry out improvements to three tanks. Besides, the work of 13 new wells was undertaken. Special repairs were also carried out to 5 local board wells. The Bijapur Board carried out 7 water supply works during the year. The Kolaba Board had to its credit the completion of 15 wells-works.

14. *Standing Committees and other Committees—Northern Division.*—All the district local boards had standing committees during the year under report. The District Local Boards, Ahmedabad, and Kaira appointed Road Committees. The District Local Boards, Broach, Thana and Bombay Suburban District, had Village Panchayat Committees. The Broach District Local Board had other three Committees like the Public Health Committee, Provident Fund Committee. The Bombay Suburban District had Village Improvement and Dispensary Committees.

Central Division.—All the district boards and taluka boards except the Taluka Boards of Nasik, Peint and Junnar appointed Standing Committees. All the District Boards except West Khandesh and Poona appointed Works Committees. Most of the taluka boards also appointed such committees. All the district boards except Ahmednagar and a few Taluka Boards appointed Budget Committees.

Southern Division.—All the boards appointed Standing Committees as required by section 36 (1) of the Bombay Local Boards Act. Similar Committees were also established by the taluka local boards in the Dharwar, Ratnagiri and Kanara Districts. Certain other committees like the Works Committee, the Public Health Committee, the Budget Committee, the Rules Committee, etc., were also formed by some of the boards to deliberate on specific questions of public interest.

15. *Village Panchayats and Village Sanitary Committees—Northern Division.*—The number of village panchayats increased from 78 to 108 during the year, while the number of Sanitary Committees fell from 38 to 37. One more Village Bench was constituted at Shukla Tirth. The working of Jhadeshwar and Hansot Village Panchayats has been reported to be satisfactory. A great fire broke out at Khardi and destroyed all the dwellings in the village. Government gave generous assistance by a free grant of timber worth Rs. 13,959. Out of the allotment of Rs. 5,200 sanctioned by Government for fostering the growth of Village Panchayats, Rs. 4,508 were spent in various districts for this purpose.

Central Division.—The total number of Village Panchayats increased from 278 to 318. Though the number of panchayats has increased during the last two years owing to the "Village Uplift Movement" it is reported that much sustained effort will be needed to put proper life into them as most of them at present are either dormant or are working very unsatisfactorily. The District Local Boards of Ahmednagar and Sholapur have appointed panchayat officers to foster the growth of village panchayats. The chief drawback to the successful working of the panchayats is the reluctance on their part to impose taxation. It is reported that most of the panchayats that have imposed taxes are largely in arrears. The number of Sanitary Committees fell from 24 to 23.

Southern Division.—The number of village panchayats increased from 91 to 144. In Kanara where there were no village panchayats formerly 18 new panchayats have been formed and begun to function. The working of the Panchayats is reported to be not quite satisfactory. Paucity of funds, unwillingness to impose taxation, non-collection of revenue promptly and want of a sufficient sense of civic responsibility are said to be the main causes which hamper the growth of these village bodies. It is to be hoped, however, that the panchayats will gradually realise their responsibilities and begin to work earnestly.

16. *Audit of Accounts—Northern Division.*—The audit notes of local boards revealed the usual irregularities, viz., (1) negligence in recording measurements of work, (2) want of completion certificates, (3) irregular payment of travelling

allowance, (4) absence of, and deviations from, the sanctioned estimates and budget provision for works under execution, (5) slackness of supervision, (6) buying of materials in excess of requirements and late remittance of cattle pound receipts, and (7) laxity towards contractors.

Among the other irregularities detected were:—

(i) The failure of certain Taluka Local Boards to reply to the audit notes in time.

(ii) The failure of a taluka local board to take rent in advance or a rent note or security from a person to whom a shop had been rented, with the result that the tenant has now absconded leaving Rs. 270 as rent in arrears.

(iii) In the case of one taluka local board, a payment of Rs. 116-6-6 was made to labourers. In view, however, of the loss of two muster rolls of labourers the monies have had to be drawn on a certificate from the Village Panchayat that the monies were paid to the labourers.

(iv) In the case of one taluka local board a contractor was paid Rs. 1,140-4-0 in excess.

(v) A pound keeper of a taluka local board misappropriated Rs. 3 and another lost his pound register and receipt books.

Central Division.—There were no serious irregularities detected in audit and requiring special mention except the following:—

(1) The Sub-Divisional Officer of a district local board was unable to account for the imprest of Rs. 5,500 held by him when called upon to do so by the auditors. His increment has been stopped by the Board and the matter is still under consideration.

(2) Double payments of travelling allowance were made to some of the members of a district local board.

Among the common irregularities were:—

(1) the appointment of non-local residents as members of Dispensary Committees and the payment of travelling allowance to them;

(2) no proper scrutiny of travelling allowance claims preferred by members.

(3) lack of supervision over the executive subordinates of the Boards Engineering branches.

(4) petty misappropriations by Cattle Pound Keepers.

On the whole the accounts were maintained satisfactorily both by the district boards and the taluka boards.

Southern Division.—No serious irregularities were noticed in the accounts of any of the Local Boards. The Ex-President of a taluka local board was prosecuted for misappropriation of local funds during the year under report.

17. *General Remarks—Northern Division.*—The Commissioner has offered no remarks under this head.

Central Division.—The administration of the boards was on the whole satisfactory and the majority of those boards showed a spirit of co-operation among themselves and the Government officers. It is, however, regretted that the administration of the District Local Board, Satara, was particularly unsatisfactory mainly due to the facts that the President was not in a position to control the internal administration of the board and that the relations between the Chief Officer and the Engineer were not very cordial. The President has since resigned his office and it is hoped that the administration will improve. Government consider that the efficiency of a Board largely depends upon the personality of its President and the extent to which the Executive Officers of the Board are practical men and are allowed to go on with their work uninterruptedly. An instance of efficient administration is provided by the District Local Board, Sholapur, where under a good President and a good executive staff the administration of the Board is conducted with vigour and foresight, and in consequence during the scarcity of last year Government were able to hand over with confidence much of the relief work to the agency of the board.

Most of the local boards put up notice boards near dharamshalas, dispensaries and public wells declaring them open for use by all sections of the community including the depressed classes but on the whole the progress in this direction was very poor. The halting response of district local boards in this matter seems to be due

partly to the difficulty of providing funds and partly due to the prejudices existing among a substantial percentage of members. Government, however, expect that this prejudice will disappear in course of time. The District Local Boards of Nasik and Sholapur have provided equal facilities for the admission of children belonging to the scheduled classes into public schools without restriction. As special facilities for the depressed classes, two wells were constructed by the District Local Board, Nasik, one at Bodhari in Baglan Taluka and the other at Sonewadi in Niphad Taluka.

Southern Division.—The administration of the Local Boards was on the whole satisfactory. Under the scheme sanctioned by Government for subsidising of private medical practitioners for rural medical relief, the District Local Boards of Belgaum and Ratnagiri have opened rural dispensaries at Kittur and Rajapattan respectively. The Belgaum District Local Board is also maintaining a nurse at Kittur under the scheme referred to. In the sphere of primary education the number of girls and pupils from the scheduled classes attending the schools showed a general rise in all the districts, and everything possible is being done to remove social disabilities and to encourage education amongst the scheduled class people by the grant of scholarships, prizes and free books. It is regretted that the Bijapur District Local Board has so far taken no action to build new school houses and to repair the old ones, although it has got an accumulated balance of funds by the levy of an extra cess. Education of girls also requires the special attention of this Board. It is reported that the financial condition of the Dharwar and Kolaba District Local Boards is not satisfactory. Steps should, therefore, be taken by these boards to improve it.

18. The requisite abstract statement containing information relating to the district local boards in the form of Table No. 134 of the Statistical Abstract for British India (12th Issue) is attached to this review as Appendix A.

19. Government note with satisfaction the remarks of the Commissioners and Collectors regarding the excellent work done by several Presidents, Vice-Presidents and officers of district local boards.

20. Copies of the Resolution should be forwarded to the Commissioners, Collectors and other officers and Departments concerned.
