No. 454-REGN.  
XXXIII-13/42.

OFFICE OF THE REVENUE COMMISSIONER, ORISSA.  
(INSPECTOR-GENERAL OF REGISTRATION).

FROM

E. R. WOOD, Esq., C.I.E., M.C., I.C.S.,  
INSPECTOR-GENERAL OF REGISTRATION,

TO

THE SECRETARY TO THE GOVERNMENT OF  
ORISSA, DEVELOPMENT DEPARTMENT.

*Dated Cuttack, the 28th March 1942.*

SIR,

I HAVE the honour to forward herewith the five statistical statements prescribed by the Government of India showing the operations during the year 1941 under the Indian Registration Act, XVI of 1908, for the Province of Orissa.

2. I was in charge of the Department during the year under report.

3. The number of registration offices throughout the year was 43. A temporary Joint Sub-Registry Office was opened at Khallikote and was subsequently transferred to Sumandala and then to Beguniapada in the district of Ganjam for the registration of Pattas and Muchilkas relating to the estates of Khallikote and Athagada with concurrent jurisdiction with the respective Chatrapur and Purushottampur registration offices. The period of each of the offices is as noted below :—

Khallikote from 15th April 1941 to 25th May 1941.

Sumandala from 26th May 1941 to 25th November 1941.

Beguniapada from 26th November 1941 to 25th December 1941.

4. (a) The total number of documents of all classes registered in Books 1, 3 and 4 during the year was 1,59,231 as against 1,48,210 in the year 1940, showing a rise of 11,021 or 7.44 per cent.

(b) The total gross income of the Department during the year was Rs. 2,73,694 as against Rs. 2,51,154 of the previous year, giving an increase of Rs. 22,540 or 8'78 per cent.

(c) The total expenditure during the year was Rs. 1,57,417 as against Rs. 1,53,278, showing an increase of Rs. 4,139 or 2'70 per cent.

The increase in revenue is due to the increase in the number of registrations and the slight increase in the expenditure is due to the expenditure on temporary establishment in consequence of the rise in registrations and also the expenditure on the usual annual increments of pay of establishment in the time-scale of pay.

5. The fluctuations in the number of registrations in the various districts in 1941 as compared with figures for 1940 are noted below :—

District.				Percentage of increase+ or decrease—.
Cuttack	...	...	...	—0·56
Balasore	...	...	...	+ 8·38
Puri	...	...	...	+5·63
Sambalpur	...	...	...	+8·12
Angul	...	...	...	+139·15
Khondmals	...	...	...	—80·56
Ganjam	...	...	...	+19·23
Koraput	...	...	...	+4·31

During the year 1941 the total number of documents registered increased in all the districts except in Cuttack and Khondmals. The high percentages of increase or decrease in Angul and Khondmals call for no particular remarks as the number of registrations in these areas is generally comparatively small as they are partially excluded areas and the percentage of fluctuation shows high variations from time to time. The increase in Puri and Balasore is due partly to the rise in the price of food grains and partly to the anxiety of the raiyats to pay their dues to their landlords who were threatening to institute suits. The increase in Ganjam is due to failure of crops in parts of the district and also to the registration of Pattas and Muchilikas relating to the Khallikote and Athagada estates.

6. The Orissa Stamp (Amendment) Act was introduced in the Province with effect from the 1st June 1941. The Orissa Registration Manual, Part II, containing the Departmental orders, and also certain revised forms have been printed. These and the rules approved and published in 1940 are ready to be brought into force as soon as Government have dealt with the question of unifying the rates of fees now prevalent in both the parts of the Province. The matter is under the consideration of Government.

I have the honour to be,

SIR,

Your obedient servant,

E. R. WOOD,

*Inspector-General of Registration.*
