## Note on the Stamp Statements for the year 1917-18.

### STATEMENT I.

1. The total receipts under the Stamp and Court Fees Acts for the year 1917-18 amount to Rs. 60,06,794 as compared Total Receipts and Charges. with Rs. 59,87,134 in 1916-17, showing an increase of Rs. 19,660. The total expenditure rose from Rs. 2,30,033 in 1916-17 to Rs. 2,36,859. The net receipts thus amount to Rs. 57,69,935 or an increase of Rs. 12,834 over the figures of the previous year.

### STATEMENT II.

2. Of the total receipts of the year Rs. 38,31,589 were derived from the sale of judicial or court-fee stamps. The sales in Receipts from the sale of Judicial Stamps. the previous year under this head amounted to Rs. 38,44,113. There has therefore been a decline in sales to the extent of Rs. 12,524. Decreases are chiefly noticeable in the districts of Lahore (Rs. 9,294), Amritsar (Rs. 10,537), Shahpur (Rs. 9,738), Montgomery (Rs. 10,478), Lyallpur (Rs. 15,104) and Multan (Rs. 13,846). Generally speaking it may be said that the income was affected by the absence of a large number of Indian soldiers from the Province, the severe outbreak of plague last winter and the extremely unhealthy autumn. The districts in which noticeable increases occurred are Rohtak (Rs. 18,112), Karnal (Rs. 11,396) and Jullundur (Rs. 7,574). The increase in the Rohtak District is due to the prospects of a bumper rabi crop and the creation of a new Court at Gohana. In Karnal the number of Civil suits was increased owing to the activity among the money lending classes in realizing their debts. The Commissioner of Jullundur remarks that the increase under the head of Judicial stamps may be ascribed to the greater value of property subject to litigation.

The miscellaneous receipts shown in column 5 of statement II represent chiefly recoveries on account of pauper suits. The total amount outstanding at the end of the year on account of such suits was Rs. 68,558. Over Rs. 30,000 was outstanding in 5 districts, viz.—Jullundur (Rs. 5,341), Ludhiana (Rs. 4,211), Lahore (Rs. 13,715), Amritsar (Rs. 3,241), and Montgomery (Rs. 3,578). Action, it is understood, is being taken for the realisation of balances recoverable and the remission of irrecoverable items.

### STATEMENT III.

3. The sale of non-judicial stamps contributed Rs. 20,89,891 towards the Receipts from the sale of non-judicial stamps. total revenue of the year. The income under this head amounted to Rs. 20,56,144 in the previous year so that there has been an increase of Rs. 33,747. The greater portion of the income is derived from the sale of non-judicial impressed sheets the receipts from which rose from Rs. 15,90,048 in 1916-17 to Rs. 16,38,705 in 1917-18. Increases in the sale of impressed sheets occurred in 18 districts of the Province, the remaining ten showing decreases which ranged from Rs. 172 to Rs. 4,844, the net result being an increase of Rs. 48,657. Increased sales took place chiefly in Lahore (Rs. 20,277) and Amritsar (Rs. 15,119). The increases are generally attributable to the execution of a larger number of conveyances and bonds and the decreases to the good harvests of 1917 and the general well-being of the local land-owning classes. The income from impressed labels shows a decrease of Rs. 19,697 which is ascribed to a fall in banking transactions. The income from foreign bill stamps shows an increase of Rs. 2,048 while that under share transfer stamps decreased by Rs. 4,644. The increase of Rs. 9,068 under the head of stamps for legal practitioners' licenses is due to the admission of a large number of Pleaders during the year in consequence of the withdrawal by the Chief Court of the restrictions upon admission to the legal profession which did not fully affect the figures included in the previous year's report.

**STATEMENT IV.**

4. There were 1,850 stamp-vendors in the Province in 1917-18. The number of inspections of stamp-vendors' registers made by Excise officials during the year under report was 5,242 as compared with 5,963 in 1916-17. The inspections have been sufficient in all districts except Lyalipur and Dera Ghazi Khan.

**STATEMENT V.**

5. The total number of insufficiently stamped or unstamped documents dealt with was 4,830, on which Rs. 46,517 were realised as duty and penalty. The courts have continued to pay attention to this matter and in Lyallpur the Deputy Commissioner remarks that the decrease in duty realised "is due to the campaign against insufficiently stamped documents which was enforced rigorously in 1916-17. The levy of large sums on account of penalty has brought litigants to their senses, and they now take more care to see that the documents are properly stamped."

*General.*

6. The monthly accounts of income were, as usual, compared with the Accountant-General's statements and differences reconciled.
