FROM

M. J. COGSWELL, Esq.,
CONTROLLER OF PRINTING, STATIONERY AND STAMPS,

TO

THE FINANCIAL SECRETARY TO GOVERNMENT, PUNJAB,
LAHORE.

Calcutta, the 24th September 1913.

SIR,

I HAVE the honour to submit my Annual Report on the consumption of stationery in the various offices under the Civil Departments in the Punjab during the year 1912-13.

2. The value of stationery issued to offices was Rs. 68,014, and to Presses Rs. 1,31,738, making a total of Rs. 1,99,752 for the year. The value of supplies to offices was below the allotment by Rs. 50,725, and that to the Presses in excess by Rs. 10,138, resulting in a net saving of Rs. 40,587.

3. The saving appears to be due to the fact that many offices under "Law and Justice," "Jails," and "Police" could not draw their annual supplies during the year, owing to the change of the indenting period, as ordered in Government letter No. 344 (Commerce and Industry), dated 30th April 1912.

4. As usual, the stationery supplied to indenting officers has been valued at the issue rates fixed for the year; and a statement of claims on account of supplies has been forwarded to the Accountant-General, Punjab, and to the Comptroller, India Treasuries, for necessary adjustment.

5. The statement appended to the Report affords information under the allotment system, and the expenditure *per capita* has been noted against each office. The average expenditure *per capita* for each Department of the Government, where figures are available, has also been shown for comparison. These figures would be more complete and more useful if indenting officers in all cases gave details of the establishments to be served by their supplies.

I have the honour to be,

SIR,

Your most obedient servant,

Controller of Printing, Stationery and Stamps.
