ANNUAL REPORT

ON THE

CONSUMPTION OF STATIONERY
IN THE PUNJAB

35

For the Year 1913-1914.

CALCUTTA
SUPERINTENDENT GOVERNMENT PRINTING, INDIA
1914

FROM

E. DALTRY, Esq.,

OFFG. CONTROLLER OF PRINTING, STATIONERY AND STAMPS,

TO

THE FINANCIAL SECRETARY TO GOVERNMENT, PUNJAB,

LAHORE.

Calcutta, the 7th October 1914.

SIR,

I have the honour to submit my Annual Report on the consumption of stationery in the various offices under the Civil Departments in the Punjab during the year 1913-1914.

2. The value of stationery issued to offices was Rs. 1,06,508, and to Presses Rs. 99,620, making a total of Rs. 2,06,128 for the year. The value of supplies to offices was below the allotment by Rs. 20,932, and that to the Presses by Rs. 4,024 resulting in a net saving of Rs. 24,956, or over 10 per cent in the aggregate.

3. As usual, the stationery supplied to the indenting officers has been valued at the issue rates fixed for the year; and a statement of claims on account of the supplies has been forwarded to the Accountant General, Punjab, and to the Comptroller, India Treasuries, for necessary adjustment.

4. The statement appended hereto affords information under the allotment system, and the expenditure *per capita* has been noted against each office. The average expenditure *per capita* for each Department of the Government, where figures are available, has also been shown for comparison.

5. Attention of the Government is drawn to the following departments and the average *per caput* expenditure shown against each:—

General Administration	44
Public Works	10
Police	9
Ecclesiastical	9
Law and Justice	8
Medical	7

I have the honour to be,

SIR,

Your most obedient Servant,

E. DALTRY,

Offg. Controller of Printing, Stationery and Stamps.

STATEMENT.

Showing the allotment and value of Stationery supplied to the officers under the Government of the Punjab during the year 1913-14.
