TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
REVENUE AND AGRICULTURAL DEPARTMENT.

Dated Lahore, 30th April 1912.

File No.

Revenue and Agriculture.

General.

SIR,

I AM directed to submit, for the information of the Government of India, a copy of the report on the administration of the estates under the Court of Wards in the Punjab for the year ending the 30th September 1911.

2. The report illustrates clearly the value of the work done by the Court of Wards in the superintendence of minors' estates.

The year under report has also shown the usefulness of the court in saving from reckless dissipation or improper diversion the property and funds of families of note in the Punjab.

3. Investment of surplus funds is still a problem, but the Lieutenant-Governor is pleased to notice that district officers realise more fully the advantages of real property investments.

I have the honour to be,

SIR,

Your most obedient Servant,

H. P. TOLLINTON,

Revenue Secretary to Government, Punjab.

REPORT
ON THE
ADMINISTRATION OF ESTATES
UNDER THE
COURT OF WARDS
IN THE
PUNJAB

For the year ending 30th September 1911.

ESTATES under the management of the Court of Wards number as last year 51, comprising a total area of 377,341 acres, of which 232,060 acres are cultivated, the land revenue paid amounting to Rs. 2,42,492.

Number of estates under management.

The total assets of these estates are valued at Rs. 4,14,31,001, of which over 121½ lakhs represent the capitalized value of land revenue assignments, nearly 191 lakhs the estimated value of the land, and 56½ lakhs the value of house property.

Three estates—Mamdot, Sheikhpura and Hardit Singh—have assets exceeding 20 lakhs.

The estates may be thus classified in order of their income :—

| | | | | | |
|-----------------------------------|-----|-----|-----|-----|----|
| Exceeding one lakh | ... | ... | ... | ... | 5 |
| Between Rs. 50,000 and one lakh | ... | ... | ... | ... | 5 |
| Between Rs. 25,000 and Rs. 50,000 | ... | ... | ... | ... | 7 |
| Below Rs. 25,000 | ... | ... | ... | ... | 34 |

Estates taken over by the Court of Wards.

2. Four estates were taken under the superintendence of the Court of Wards during the year :—

(1) *Muhammad Usman Khan of Faridpur jagir, Montgomery district.*—The ward is 7 years of age. He is the son of an Honorary Magistrate and Divisional Darbari, who in his will expressed a wish that the estate should come under the Court of Wards. The family is of some consequence locally. Besides jagir income the ward owns landed property in several villages of the Montgomery district and in the Bahawalpur State. The liabilities are considerable, but with good management the estate should be free from debt in a few years. The ward has been sent to the Aitchison College.

(2) *The Kotaha estate in the Ambala district.*—The owner of this estate is Saiyid Jafar Ali Khan of Pindrawal, Bulandshahr district, whose estates in the United Provinces are already under the Court of Wards. Saiyid Jafar Ali Khan is heavily involved, and the Kotaha estate was taken under the superintendence of the Punjab Court of Wards at the instance of the United Provinces Government on the ward's application. The gross income of the estate is estimated at Rs. 31,500 per annum, the expenditure amounting to some Rs. 14,000.

(3) *The Siddhawal estate.*—The circumstances of the release of this estate in November 1909 and the necessity for resuming superintendence were alluded to in paragraph 4 (1) of last year's report. The debts incurred by the ward during his short period of release amounted to Rs. 62,458, and Government was obliged to pass orders under section 5 (2) (d) of the Act placing the estate once more under the Court of Wards.

(4) *The estate of Bedi Dewa Singh of Basirpur, Montgomery district.*—The order assuming superintendence in this case also was passed by Government under section 5 (2) (d). The ward, an old man of 70, had come under sinister influences which threatened to ruin the estate to which his grandchildren were to succeed. The family is closely connected to that of the late Baba Sir Khem Singh Bedi, K.C.I.E. The estate is not heavily involved, but as the annual income is only some Rs. 7,000, some care will be required in the management.

It should also be noted that the Nawab of Mamdot himself applied that the control of the Court of Wards over his estate might be continued, and this has been done. The Guru of Harsahai, who was a ward of court, died in August last, and as his sons were minors, the estate remained under superintendence.

3. Only one estate, that of Hassu Babel in the Jhang district, was released during the year. This estate was taken over in 1892, the ward, Nazar Hussan, being then two years of age. When the estate first came under superintendence the ward owned 6,053 acres, valued at rather more than a lakh-and-a-half. He now owns 7,897 acres, valued at nearly 2½ lakhs. Improvements in the house property have raised its value from some Rs. 12,000 to Rs. 20,000. There was practically no debt when the estate came under the Court of Wards, and the financial position at the time of release was satisfactory. It is, however, to be regretted that the Deputy Commissioner was unable to arrange for the investment of the balance, amounting to nearly half a lakh of Government paper, in landed property. He reports, however, that efforts are still being made to find a suitable investment for this surplus.

4. The excess of assets over liabilities for all estates is shown to have increased by nearly 14 lakhs. It should be noted that the Commissioner of Rawalpindi has objected to the method of valuation employed in the case of house property in the Hardit Singh estate. The matter is under enquiry. Investments in Government securities have decreased from 15½ to 13¾ lakhs. Only the Luddan and Hardit Singh estates invested largely in this class of security. It was necessary to sell more than a lakh of Government paper to re-habilitate the finances of the Siddhowal estate. The Manauli estate sold half a lakh of Government securities, and lent the amount to the Raipur estate at a more advantageous rate of interest. The Raipur estate was thus able to redeem a long standing mortgage on comparatively easy terms. The Kot estate bought a large estate in the Chenab Colony, valued at nearly one lakh of rupees, from Sirdar Buta Singh of Rawalpindi. Part of the cost was defrayed by a large sale of Government paper. The Buria estate acquired a large haveli in Ambala City from the Kotaha estate. As already mentioned the Manauli and Luddan estates made loans to other estates, under the Court of Wards. The Guru Harsahai estate lent Rs. 12,000 to the Grey Canals on the security of Government paper to that amount. Landed property is admittedly the most suitable form of investment for the surplus funds of wards' estates. Except in the colonies it is not always easy to purchase properties at a reasonable distance from the estate. The reports submitted by district officers do not always give information as to the profits realised from investments in colony land, but such particulars as can be gathered from the reports for 1910-11 indicate that notwithstanding the high prices paid such investments are profitable. For instance, the 15 squares in the Chenab Colony belonging to the Kot estate have been let at Rs. 476 per square and the net income gives a return of 7½ per cent. on the original purchase money which amounted to Rs. 6,106 per square. An even higher price, *viz.*, Rs. 6,857 per square, has been obtained on behalf of the estate of Makhdum Hassan Bakhsh, for which it was found necessary to sell seven squares of colony land in order to liquidate debts. The land in the Chenab Colony, belonging to the Bhagowal estate, has been let at Rs. 400 per square, the lessee paying all Government dues.

As regards other investments, the powers of Deputy Commissioners are now circumscribed by the rule made in 1910 which limits investments to trustee stocks. The Commissioner of Lahore takes exception to certain deposits of Court of Wards money with a co-operative bank and with a private

money-lender. A deposit is not, strictly speaking, an investment, but the Financial Commissioner thinks that the Commissioner's approval should be obtained in every such case. Sir James Douie was opposed to the investment of the funds of wards' estates in the shares of a co-operative bank. The Hardit Singh estate stands to lose some Rs. 11,000 owing to the failure of the Commercial Bank. The estate also has some Rs. 10,000 invested in other indigenous commercial companies, but all these investments were made before the estate came under Court of Wards management.

5. The total liabilities of estates under the Court of Wards have been still further reduced by one-and-a-half lakhs to Rs. 10,38,444. The Kamalia estate reduced its debt to Government by some Rs. 25,000, three extra instalments of the loan having been liquidated by the sale of building sites, the value of which had increased by their proximity to the new railway station at Kamalia. Rather more than half a lakh still remain to be paid off. The estate of Muhammad Nawaz Khan of Isa Khel paid debts of over Rs. 30,000, reducing the sum of nazarana due to Government to about one lakh. The Deputy Commissioner expects that between Rs. 18,000 and Rs. 20,000 of the Government outstandings can be paid off annually in future. Payments by the Jhang Sial estates were also satisfactory. Large reduction was effected in the debt of the Manauli estate, most of which is owed to relatives of the ward. The Sheikhupura estate has only to pay about one-fourth of a lakh to discharge the loan granted by the Alliance Bank of Simla. The Bhagowal estates in the Gurdaspur district cleared the debt of some Rs. 25,000 standing in their name last year. The Shahpur and Jhelum estates were only able to make small reductions in their liabilities, but the Salarwahan estate in Multan was more successful. Large reductions were made as usual in the debt due to the Raja of Tehri (Garhwal) by the Raja of Guler, but unfortunately the estate had to meet other liabilities the accounts of which have only just been furnished. The total liabilities therefore show only a small reduction. The Bhabaur estate in Hoshiarpur failed to pay off any of its debt which amounts to more than half a lakh. This matter has engaged the Commissioner's attention. The outstanding due to Government by the Mamdot and Guru Harsahai estates are on account of wards rate for 1910-11. The Mallanwala estate in the Ferozepore district has not been able to decrease its liabilities, but it is expected that the compensation to be awarded for land acquired for the Jullundur Doab Railway will enable the whole to be paid off in the near future. Liquidation of the debts of the Ghulam Hassan estate in the Lahore district awaits the settlement of the private accounts of the family.

The Sher Shah estate still shows liabilities only slightly less than last year, Rs. 28,000 having been borrowed on more advantageous terms from the Luddan estate in order to clear off old debts. The large debt due by the estate of Makhdum Hussan Bakhsh has been reduced to Rs. 64,322 by payments since the close of the year under report, which necessitated the sale of landed property in Lyallpur referred to above. The extravagance of the Siddhowal ward during the period of his freedom from control accounts for the liabilities now shown against the estate.

6. The total recoverable arrears of rent, which are shown as rather larger than last year, amount to Rs. 2,32,348. Arrears are large in Kartarpur and are attributed to a change of Manager and the consequent dislocation of work. The arrears in Mamdot are unusually high, owing, it is said, to poor harvests; special steps are being taken for recovery and remission where recovery is impossible. In the neighbouring estate of Guru Harsahai similar unsatisfactory conditions prevail, ascribed in the first instance to defects of management. The Deputy Commissioner is devoting attention to the matter. Outstandings in Sheikhpura have been reduced. Steps are being taken to deal with the large arrears in the Shahpur estates. Arrears in the Hardit Singh estate are mainly due on account of house-rent, but some Rs. 10,000 are on account of fodder which is sold to tenants, the price being recovered at the next harvest. As the Deputy Commissioner points out, these are not properly arrears. The Luddan estate has made large recoveries, but in the Sher Shah and Salarwahan estates sufficient attention

does not appear to be devoted to this important branch of the Manager's duties.

Satisfactory recoveries of arrears in the matter of jagir income were made in Sheikhpura.

7. A bungalow has been built for the Arnauli ward in one of the villages of the estate which is less remote than Arnauli itself. The Mamdot estate has undertaken improvements in the town of Jalalabad where the Nawab resides, and projects for increasing the amenities of the place have been sanctioned. The estate also expended two lakhs in improvements to canals and one-fourth of a lakh in buildings. Roads and arboriculture also received attention. A guest-house has been built at Guru Harsahai. Horse-breeding operations were carried on as usual at Mamdot and Kot, and a stud farm will shortly be established at Guru Harsahai. Mr. Fenton has doubts as to the suitability of such an enterprise for this estate, having regard to its small surplus income. The Kot estate has lost some Rs. 19,000 on horse-breeding operations during the past four years, although its stud has been a going concern for many years. There is a large stud at Mamdot near Guru Harsahai, and it would probably have been more appropriate in the case of the estate of a Sikh family to specialise in cattle-breeding. Considerable attention was devoted to camel, cattle and sheep breeding by the Kot estate with satisfactory results. It is reported that the introduction of Turkish rams has given good results, their progeny being large with soft and long wool.

8. District reports give some indication of the difficulties with which landlords have to contend in the newly colonized tracts and the dislocation of the labour market owing to colonization. The Kalaswala estate in Sialkot and the Hardit Singh estate in Rawalpindi have had trouble with lessees in Lyallpur, and litigation is apprehended. The Gurdaspur estates have had difficulty in finding tenants owing to emigration to the colonies. In Mamdot and Guru Harsahai land has deteriorated owing to water-logging caused by excessive irrigation. Vigorous efforts are being made to improve the land and to replace tenants who have thrown up their leases. The Luddan and Kot estates made large advances to their tenants during the year.

9. Twenty-one wards attended the Aitchison College during the year, among whom the most promising was Sardar Fattah Singh, son of the late Sardar Sarup Singh, of the Lahore district. The younger of the Dula wards (Jhelum district) was withdrawn from the Aligarh College during the year. The elder ward died in February 1911.

Other minor wards are being educated privately or at local schools.

Reports are generally satisfactory.

Wards who have left the Aitchison College have been given instruction in the management of their estates in case where it has been necessary to continue superintendence. The Raja of Sheikhpura, the Nawab of Mamdot and the Sardars of Buria, Arnauli and Siddowal are all reported to have profited by the experience thus afforded them. The Raja of Sheikhpura has been made an Honorary Magistrate, and Tika Baldeo Singh of Guler who is attached to the Dera-Hamirpur settlement, was appointed an Extra Assistant Commissioner in August 1911.

The Nawab of Mamdot visited Europe in the summer with great benefit to his health and experience. The visit is to be repeated in the ensuing hot weather.

10. The audit of accounts for Court of Wards estates has been carried out as usual by the Examiner of Local Funds Accounts, who has made some useful suggestions for the regularization of the accounts maintained. These suggestions are being considered and orders will be issued in due course.
