## **Editor's Note**

Dear Members, Greetings!

I am delighted to bring you this quarter's newsletter. Due to the 3rd wave of COVID, all branches of CPL Punjab & Balochistan are still closed for members. I hope the pandemic would be very short living and we are waiting to welcome you again to the library very soon. Meanwhile, enjoy happy reading while staying at home during the month of April which is considered as the month to celebrate love with reading and writing. Books have proved to be powerful tools to combat isolation, reinforce ties between people, expand our horizons while stimulating our minds and creativity. You can have access to the exciting digital collection through our digital library.

Expanding its scope of community service, CPL joins hands with Chughtai Foundation for Ration Program 2021. All library team is proactively working to support the less privileged community members through CF's Food Drive. Anyone from CPL members can also join us to help those who are in need.

We wish you a blessed upcoming Eid-ul-Fitar.

Rehana Kousar
