

**Project Name: UP-GRADATION OF IQBAL LIBRARY SIALKOT**

**Introduction of the project:**

The District Administration Sialkot intends to upgrade Iqbal Library Sialkot. The Municipal Corporation Sialkot and the District Administration have sufficient funds to renovate and upgrade the library but do not have trained library professional and technical expertise. The Chughtai Public Library initiative under the umbrella of the Chughtai Foundation is a trusted name which is actively working to promote libraries and reading culture in Pakistan. The CPL has the infrastructure and the trained technical staff required to run the state of the art public libraries. Both parties, MC Sialkot & Chughtai Foundation are eager to join hands for the best interest of the public.

**Scope of the Project:**

IQBAL LIBRARY in Sialkot City will be renovated, automated, digitized and upgrade.
